

WHETSTONE BAPTIST CHURCH

BUILDING PROJECT PRAYER GUIDE

..pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints. Eph 6:18

Give thanks to God for His vision and leading, His provision of people with so many different skills and the resources to undertake this major task in the church's history.

Please pray for the people involved in the project that:

they will have wisdom in their decisions

there will be unity amongst them

that they will act in a manner worthy of Christ

they will be kept safe and healthy and protected

their families will be kept strong

Please pray for the practical aspects of the project that:

everything will go to plan

that there will be no disputes

it may bring glory to God
